cover made just for them

Flexi Domestic Cover

Protect your domestic worker with life, disability and family funeral cover.

People who work in our homes and small businesses are an important part of our daily lives. They are often the only breadwinners for their families, and if tragedy strikes, their dependants may be left destitute. As their employer, you may feel a moral responsibility towards their families.

Simply Domestic Cover offers 3 benefits: life, disability and family funeral cover. Choose all three, or any combination, and tailor the amount of cover per benefit to suit your budget.
